

# Most people are willing to make changes for the sake of Climate Change

Just over 80% of people in Great Britain say they are already making changes to help tackle climate change:

Source: Opinions and Lifestyle Survey (COVID-19 module), 6 to 17 October 2021, ONS

Though most of these changes are likely to be small and painless, it does show that people are willing to act for the sake of the climate so it gives us some hope!
